Jesus put on flesh and blood tempted through suffering suffered death perfected through suffering rendered the devil powerless Great High Priest merciful and faithful made propitiation (to reconcile) able to aid us in temptation passed through the heavens sympathizes with my weakness tempted – in all things – without sin	do not drift away do not neglect do not harden your heart tried God by testing Him (provoked) saw His works went astray in their hearts did not know God's ways evil, unbelieving heart falls away hardened/deceived by sin disobedient unbelief	“shall not enter My rest” not able to enter come short
